

Flourish Unit Graphic Wrap 895mm(h) x 2235mm(w) Artwork Requirements

Setup All Files in CMYK

Create artwork at 25% of actual size

Create a single page document in a high resolution PDF without compression

All layered files should be flattened and fonts converted to “outlines”

All scans and bitmap images should be converted to CMYK and placed in the 25% document at 100% at 300dpi. Lower resolution images may result in pixilation on the print.

Setup all files with a 10mm bleed on all edges.

When using this template, please delete/hide the Guides and Info layers before submitting your artwork

Allow 15mm for the top to cover graphic

Display Box

Positioning

If you need any text or images to be visible while standing directly in front of the case, please position them within the middle 1200mm of the wrap.
